To Whom It May Concern:

The Kiwanis Club of Tellico Village, Loudon, TN was able to hold a member meeting on March 19th. Covid-19 had prevented us from gathering in a group for many months.

We crossed our fingers hoping the members who had received the vaccine would attend. We wanted this meeting to be memorable and uplifting. We needed to recharge our club and its membership.

We desired a Guest Speaker to inspire, encourage and motivate our members! Someone with an uplifting spirit. Enter Joshua Goodling.

We were privileged to have Joshua Goodling as our Guest Speaker. He is a terminal cancer survivor. His story captured our members attention. His strength and resolve are second to none. His Christian belief is honest and pure. Joshua believes you should seek to live for others and make a difference in the world! We, as Kiwanians, truly believe this statement.

Joshua Goodling is an incredible individual.

Sincerely,

Angela Antico

Vice President
